

TEAM CONTRACT

Team Members: Molly Koers + Mina Mayerczak + Madison Auberry
CGT 141 - FALL 2023 - Final Project

Expectations for each member:

- $\frac{1}{3}$ of work completed by each member.
- Specific parts of the project are negotiable/ can be done together.
- Help each other out with issues (ex. Code, design choices...).
- I.O.U system = help complete each other's portion of project if not fully completed (note: no doing the whole project portion for the other person. Minimum 80% must be done by the assigned individual).
- Do not procrastinate the project and get things done in a timely manner.
- Use class time wisely and fully.
- Follow the rubric.
- Text if we have questions or have completed our portion.
- No plagiarizing:
 - Uncopywrited images + words
 - Always source resources

Project Scope:

- OBJECTIVES:
 - Create an educational/functional/interactive website
 - Displayable on web and phone/app

Group Workspace:
